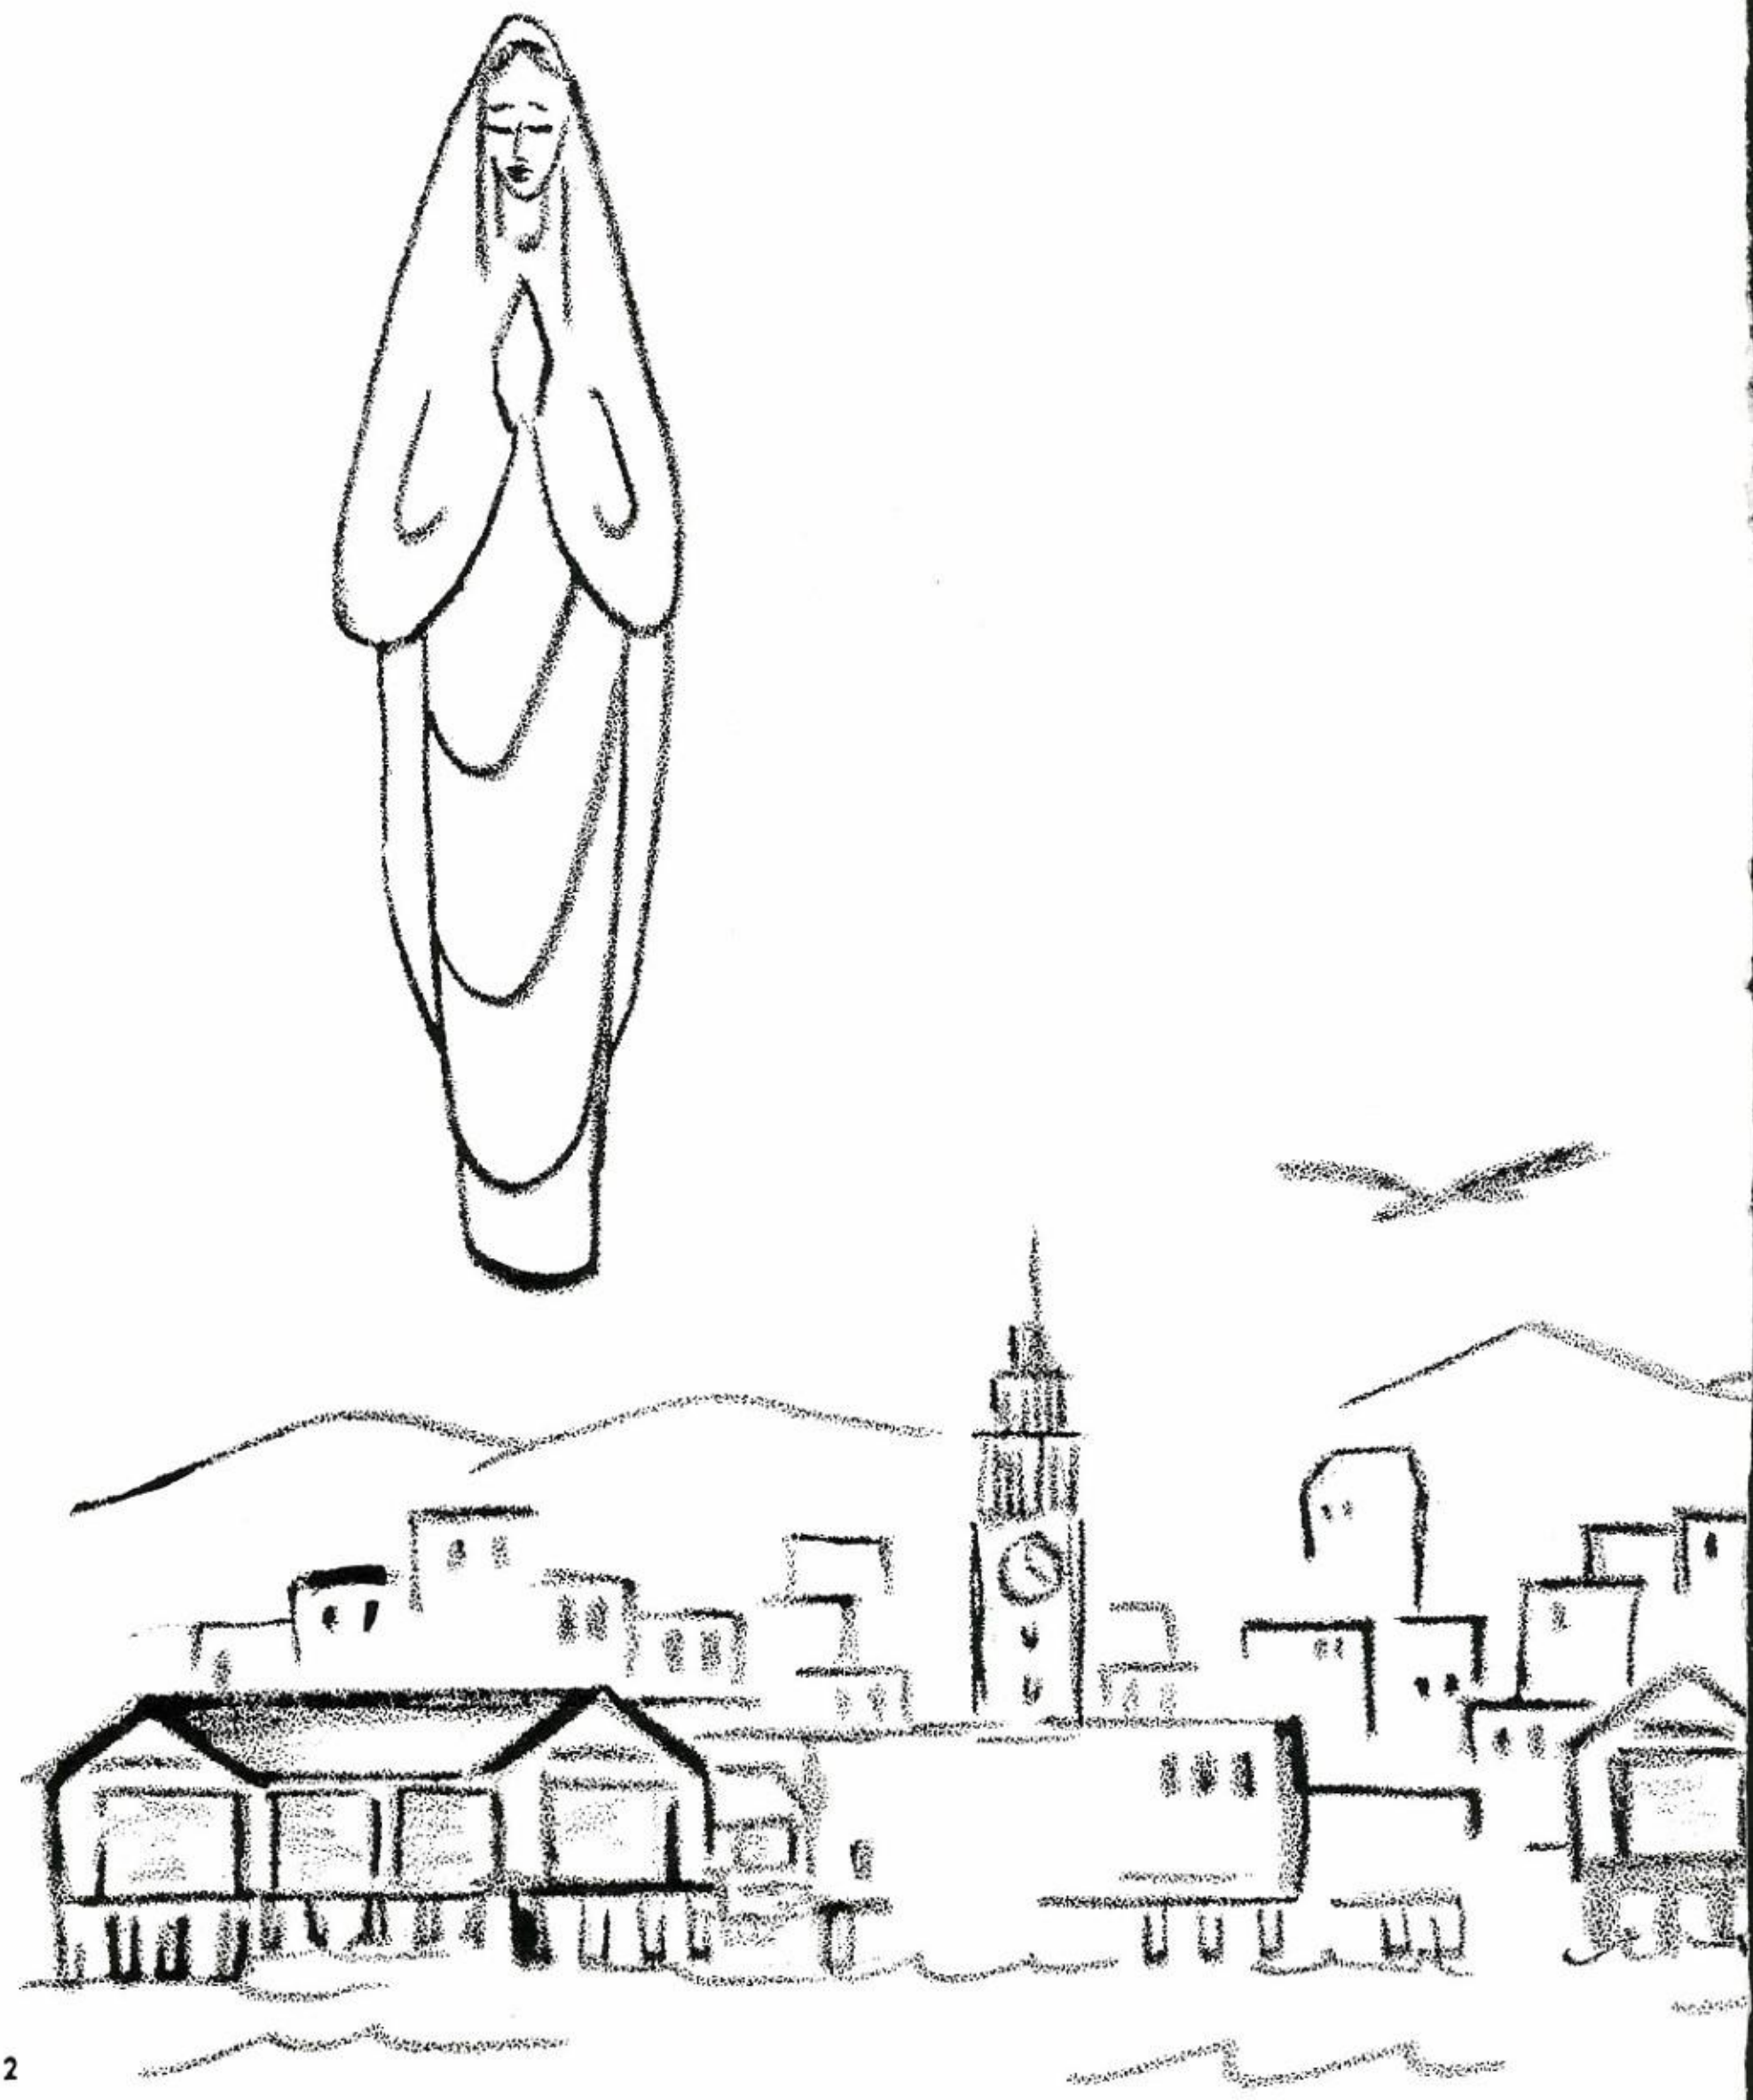
RIORDAN HIGH SCHOOL

SAN FRANCISCO, CALIFORNIA

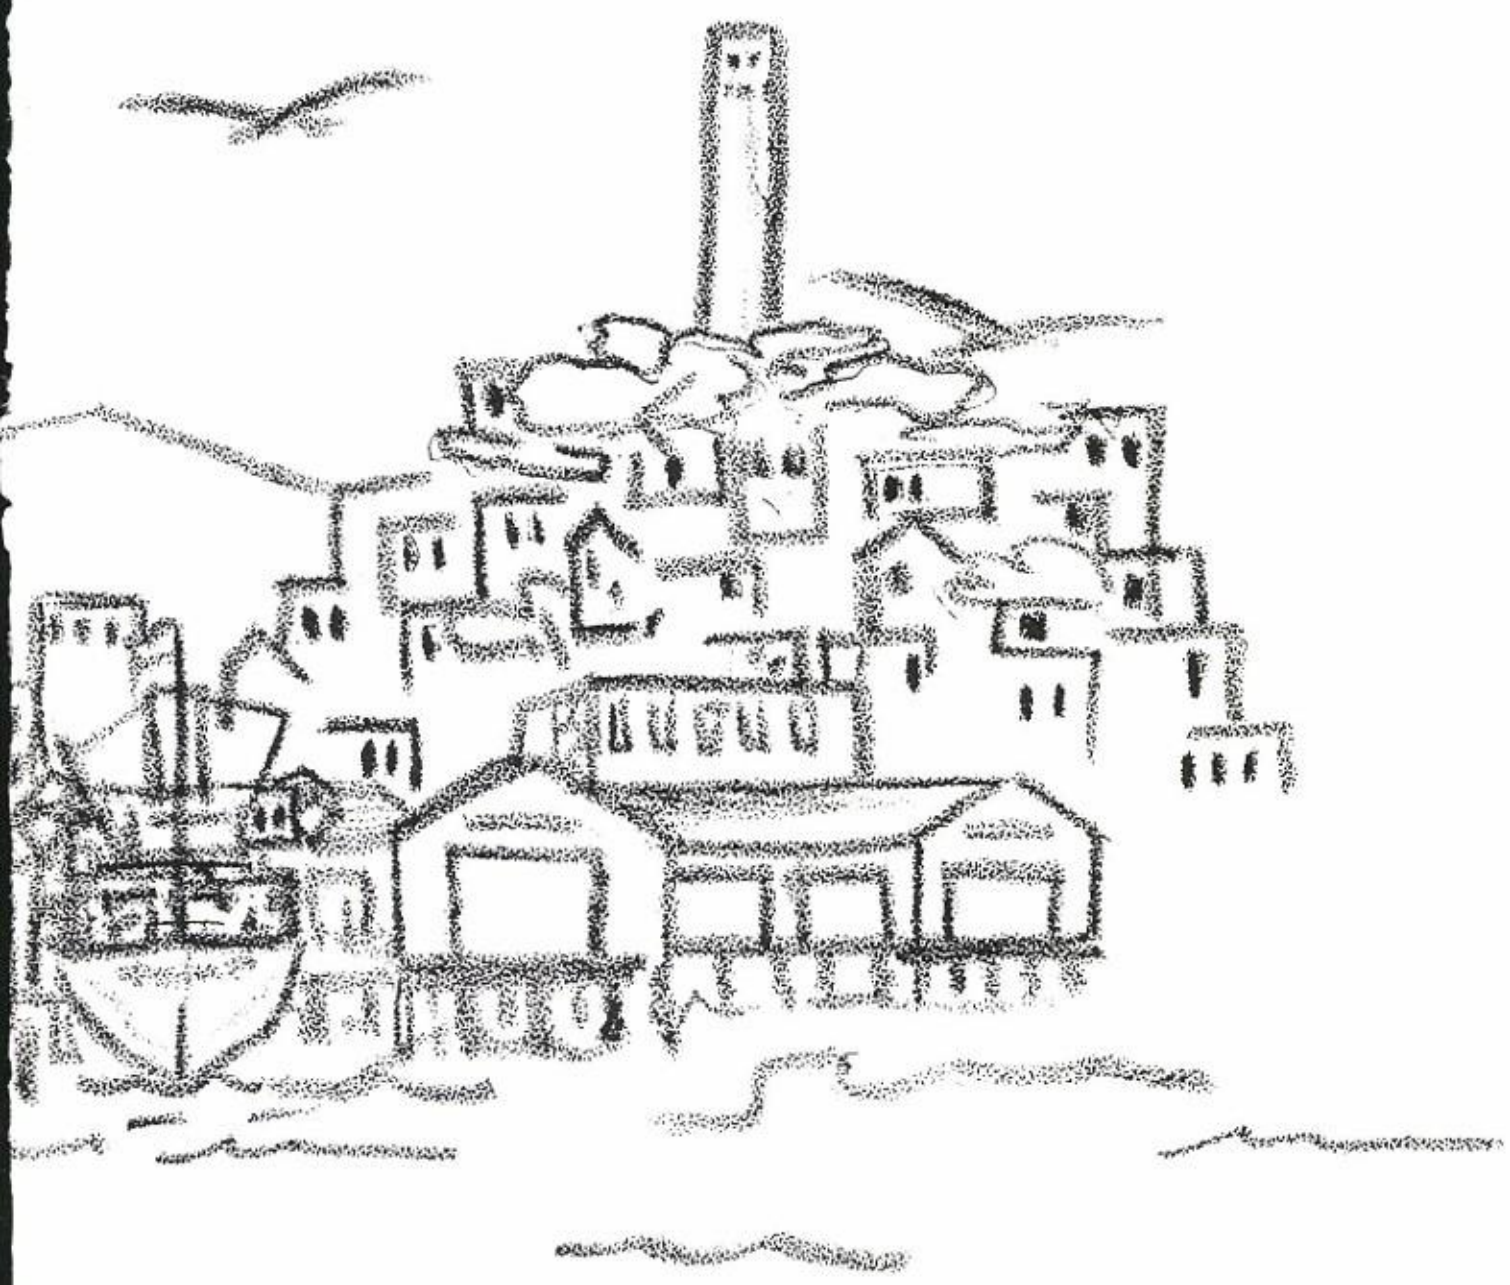


The Society of Mary is the length and shadow of Father William Joseph Chaminade. He slowly consumed his life in the continuous service of Mary and the religious congregation, born of his great love, has been and is a help unto future generations in her name and for her glory. The city of San Francisco has been his debtor for seventy-five diamond years. Seventy-five years of sowing and reaping from the hearts of the youth of the beloved City of Saint Francis -- a diamond harvest of great deeds.

In the summer of 1886, five Marianist Brothers from Saint Mary's Stockton, began this seventy-five years of service. At Saint Joseph's Parish in the Mission, they opened the grammar school for boys. Through earthquake and depression they remained true to their calling to educate the youth and to increase their love and devotion to Mary Immaculate.

In 1906, the Marianist Brothers began to open a high school department at Saint James while also conducting the grammer school. With the increasing demands made for another and still larger boys high school in San Francisco, the Marianists closed the high school department in 1949 and moved to the newly constructed Riordan High School, a monument to the memory of Archbishop Patrick William Riordan, D.D.

This is the light in which the Marianists still labor; this is the spirit which still animates them and here lies the cause of their strength. They are confident of eternity and they know the times in which they labor. Both here and the hereafter are to them secure if they remain true to their dedication: For the glory of the Most Holy Trinity and the honor of Mary Immaculate and the salvation of souls.



MOST REVEREND JOSEPH THOMAS McGUCKEN, S. T. D.
Fifth Archbishop of San Francisco

Leaving the confines of Nuestra Senora La Reina de Los Angeles, traveling northward on El Camino Real via the Diocese of Sacramento comes our Archbishop, The Most Reverend Joseph Thomas McGucken, S.T.D. We, the Senior Class of 1962, pledge our loyalty to his apostolic call. We look to our new Shepherd for guidance and a richer spiritual life. We wish him many years crowned with renewed fervor in the city of San Francisco de Asis.

To the Priests and Brothers
of the Society of Mary

As you prepare to celebrate your Diamond Jubilee in the City of San Francisco, I wish to send you my felicitations and at the same time assure you that my prayers are united to yours in thanking Almighty God for His Providential protection and His blessings upon your work during the past seventy-five years in the City of Saint Francis, and I join with your many friends in thanking God for all the graces and blessings which He has brought to the faithful of San Francisco through the devoted work of the Marianist Priests and Brothers.

Since the five Marianist Brothers from Saint Mary's in Stockton came to San Francisco in 1886, the Marianist Foundation in San Francisco has been tried as iron is tried in fire and has been found to be true. Through occasions of vicissitudes and catastrophes, as well as through years of prosperity and blessings, the Marianists have been true to their religious and educational calling and have established in San Francisco a splendid tradition upon which to establish future growth and expanded work.

I pray God to bless the Marianists, their students and alumni, and all of their friends on the occasion of the Diamond Jubilee as a pledge of His love and protection in the years to come.

Yours sincerely in Christ,

+ Joseph T. McGucken

Q

Riordan High School was erected to the Glory of God and in memory of Archbishop Patrick William Riordan, D.D. Riordan High School will remain as a monument to the educational endeavors of Archbishop John Joseph Mitty, D.D. Grateful to his educational foresight and faithful to his motto: "For me to live is Christ", we, the students of Riordan High School will strive to mature into Christian manhood, mindful of the dignity which is ours and dedicated to the heritage of our Faith.

A familiar scene in San Francisco is Chinatown. Familiar scenes recall familiar persons. Persons familiar to Riordan High School are the Marianist priests and Brothers and devoted laymen. Trained in the universities of the nations and exercised in the imitation of Christ, the teacher molds the mind and heart of the student according to the best cultural traditions of both Church and society. Supervising our varied extracurricular activities, the religious and lay faculty have provided friendly encouragement and guidance for the entire student body.

Bro. Lahey at his desk in the Treasurers Office.

A familiar scene every year is the paper drive, sponsored by the Dads' Club. For ten years it was under Bro. Lahey's supervision.

Ten Dedicated Years

Every Riordan man knows Brother Frank Lahey, S.M. Every Riordan man knows his work as treasurer. But, engraved on a desk pen set in his office, ten years of dedicated service to the Riordan Dads' Club recalls years of achievements.

In 1951, succeeding Brother John McCluskey, S.M. then principal of Riordan, as moderator of the Dads' Club, Brother Lahey opened a new frontier of activities which augmented a much needed financial assistance and equipment for a school just begun.

During the past ten years, Brother Lahey worked with seven presidents, each energetic in his responsibilities. Following Mr. Jack J. Doyle, Riordan Dads' Club first president, were Mr. Victor Bacigalupe, Mr. John Flaherty, Dr. Edward Griffin, Mr. Ralph Applebee, Mr. Raymond Milani, Mr. Paul Ahern, and Mr. Robert Joyce.

Ten years of varied activities saw a growing school band equipped with instruments and uniforms, a grand piano and electric organ installed in the auditorium, bleachers erected on the football and baseball fields, the track renovated, the utility building constructed, station wagons added to the automotive department. These constitute a partial list of the Dads' Club accomplishments under the leadership of Brother Lahey.

With the increasing demands made on his office, it was decided by the superiors that Brother Frank Lahey's duties be lessened.

We, the members of the Riordan family, congratulate you, Brother Lahey, for your ten years of devoted activity to the Riordan Dads' Club.

Mr. Robert Joyce (Left), President of the Dads' Club, and Mr. Paul Ahearn, past president, present gifts to Bro. Frank Lahey for his ten years as moderator. Also present is Bro. Herman Gerber, principal, and moderator of the club.

Headed by Jay Dugan, and under the guidance of Brother Allen De Long, S.M., the Student Council reached the goals set at the beginning of the year. Acting as the voice of the student body, the council brought to the attention of the student body that spirit and co-operation were its main goals. These they achieved with great success, especially in spirit. Also the student members of the council ran the eighth grade day and also the registration of the eighth graders.

My dear Graduates,

A meed of praise and congratulations upon the completion of your high school career. From this juncture each of you will be travelling your own path of life.

The means which each of you takes to achieve your goal in life will vary. The goal, however, will be, for each true "Crusader", the same - God.

You have worked with your teachers during the past four years learning the principles that should be your guides. Many will be the obstacles and problems that will confront you as you go through life.

Do not endeavor to "go it" alone. Place yourselves under the protective mantle of our Blessed Mother. Make her your confidant. She will come to your aid and bring you to Her Divine Son.

Wishing you every blessing and success, I am,

Cordially in J.M.J.

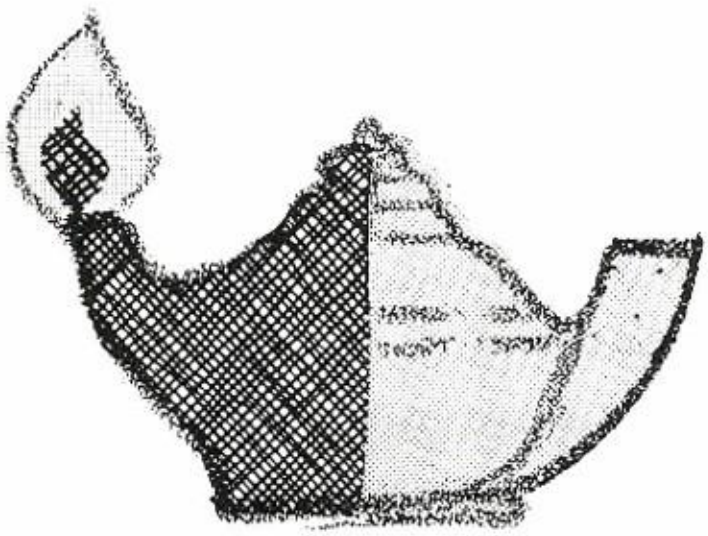
In Loving Memory of

BROTHER ALOYSIUS C. DOYLE, S. M.

Born In San Francisco, October 29, 1899
Died In San Francisco, May 10, 1961

in the 44th year of his Religious Profession

We, the Seniors of 1962, will cherish the memory of Brother Doyle, who was, for some of us, our homeroom moderator. He was a native San Franciscan called to the dignity of a religious educator, and honored with the Apostolic functions in regard to the youth of San Francisco. May he rest with the eternal fellowship in Heaven, of those who have zealously labored for the salvation of youth.



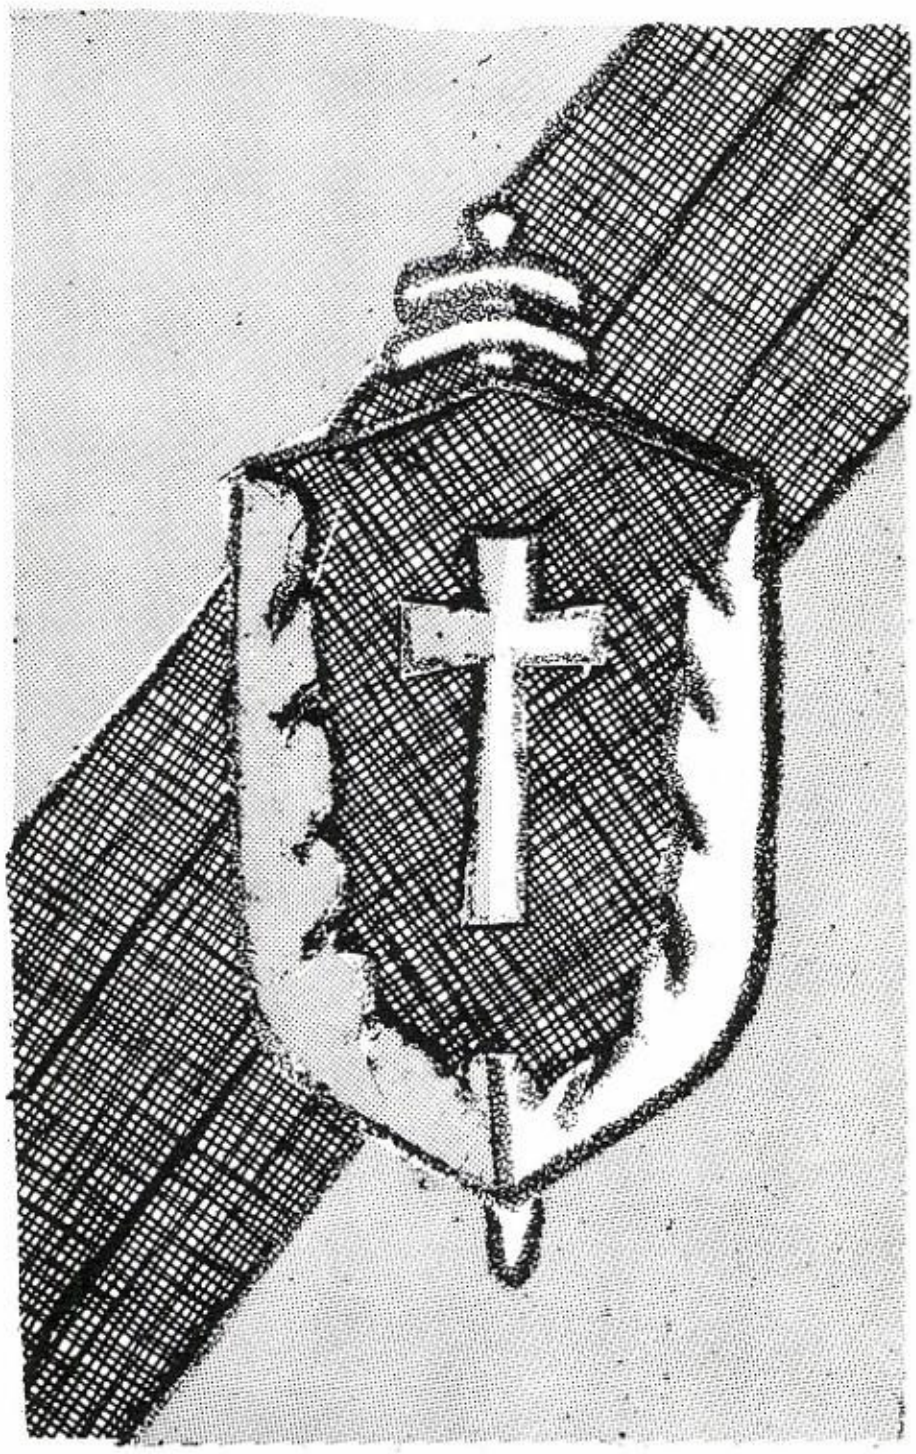
Emerging from the darkness of grammar school, the Freshmen were guided through their formative years in high school by the Lamp of Knowledge. The Lamp of Knowledge showed the path to maturity, understanding, and achievement.

The Freshmen entered Riordan as starry-eyed eighth-graders. Under the patient leadership, the Frosh slowly emerged from their childhood dormancy.

Still, the Freshmen had much to learn. Through the example of the Seniors, the Freshmen were educated in the intellectual, spiritual, social, and athletic aspects of Riordan life.

As a student becomes a Sophomore, he looks toward Mary for the inspiration to model himself after her. The student is just coming into Riordan's Family and Mary is the most important member that he meets.

For a Crusader, his Sophomore year is his most important year. This is the year in which he will become acquainted with Mary, knowing and loving her. A true Crusader, which he should be, he is deserving of the awards of a Christian man.



In the Middle Ages, if a man had proven himself to his lord, he had the right to wear his lord's coat of arms. Cloaked in these arms, he entered battle with strength and loyalty. This strength preserved him in battle. His loyalty persisted unto death.

A similar challenge has been given the Junior Division. After five semesters of work to prove themselves to Riordan, they have received their class rings. No matter where they go, what triumphs or tragedies face them, they will forever be tied to Riordan by this ring.

ACTIVITIES

Sodality

The outstanding activity at Riordan High School is the Sodality of the Blessed Virgin. It aims to develop a sense of personal responsibility to God and neighbor, an intense apostolic consciousness, a deep loyalty to parish life, and individual participation in the mission of our Blessed Mother to give Christ to the world.

To promote this feeling throughout the school and in the city, the sodality held numerous committee meetings in which projects were suggested to deal with the student and the world.

Among the outstanding projects were the canned food drive, the Christmas Toy drive, and the inter-school sodality meeting.

Under the able leadership of Chet Grycz, Prefect-General, and Father Joseph Napier, S.M., the sodality strived towards perfect unity in all divisions in the Sodality. Introduced this year were projects to bring about this unity spirit. The peak of these projects was reached with the Christmas toy drive.

The chief highlight of the year for sodalists was the trip to Los Angeles for the Pacific Province Convention. New ideas and suggested projects have been carried home and application of these ideas and projects will be seen in the next few years.

Speech

The greatest victories of any competitive organization at Riordan this year have been won by the Speech Club. Starting with early season wins, the Crusader speakers kept up this trend through most of subsequent contests.

With this impetus of early and middle season wins behind them, they prepared for the biggest tournament of the year -- National Qualifications, held this year at San Francisco State College. No Riordan student had ever qualified for national finals before, but this year the tradition was broken. Mike Carroll, senior, and Ed Imwinkelried, junior, swept through eight rounds of debate to win the right to represent the Northern California District at Montana Cater this year.

But the Riordan Speech Club did not only win in debate. In the other events, Riordan speakers came on to win places at State Finals in Santa Barbara. Dennis Badagliacco, Mike Carroll, Ed Imwinkelried, Mike Ahrens, and Bud Carpeneti all qualified for the April trip to Santa Barbara.

This year's Speech Club had only one honor to gain to prove its superiority over its Northern California rivals, schools such as St. Ignatius, Bellarmine and Lowell - the 1961-62 season trophy for accumulated degrees of honor added during the year. That three foot trophy now rests in the Crusader trophy case.

Lance

The only all-senior organization in the school is the Lance. This memorial is an annual publication that records the events of the school year. Riordan's annual has had a fine record in national yearbook competition since its first publication in 1954.

With the cooperation and devotedness of the Big Three-M. Tierney, M. Ferrigno, and J. Gerst, and with the assistance of Bro. Robert Nunes S.M., Advisor, the 1962 Lance Staff has strived to maintain its past standards of excellence.

Unlike most high school newspapers, the Riordan Crusader offers information on a wide scale-from what is happening in the girls' schools to the backgrounds of teachers.

The Crusader, in the past year, has been both constructive and destructive. It offered constructive criticism for the improvement of several organizations.

The school, and most assuredly, the Crusader staff, will never forget Mike Carroll's "Edicisms" which were the most controversial editorials Riordan and the Crusader ever encountered.

Under the guidance of Mr. Brian Finegan, the Riordan Band presented a Pops Concert in February and a formal concert in March. Following both successful events, they travel to Serra High School in Gardena in April to give a repeat of the Spring Concert. In the earlier part of the year, the spirit at the football and basketball games was strengthened by their presence at every game. Members of the marching band displayed their talents at the last three football games of the season.

This has truly been a long and successful season for the band.

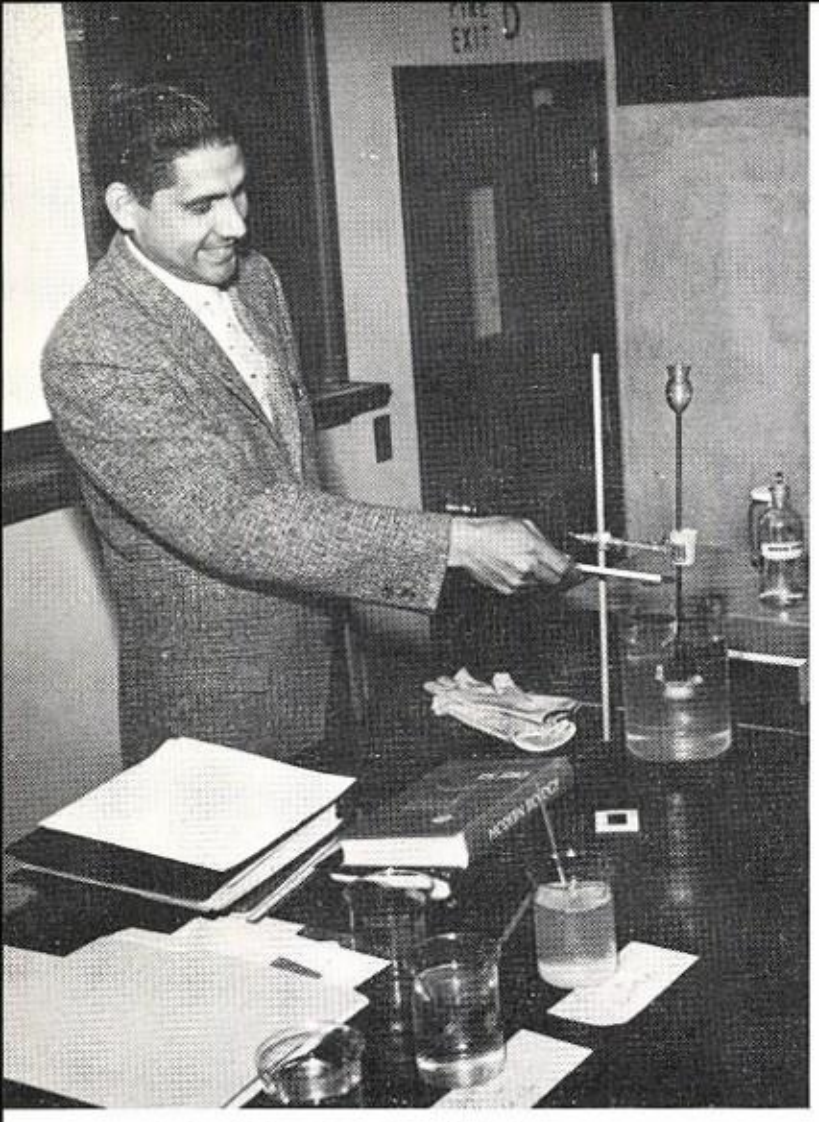
Science



Mr. John Rubia, Advisor.

Devoted to furthering an interst in the world around us, the Riordan High School Science Club has taken part in a multitude of fruitful acitvities. The first field trip of the school was an overnight excursion to Point Lobos and Big Sur. Soon after, a major revision of the club's constitution was begun in late October and completed in early January. The most important undertaking was the sponsorship of the Riordan Science Fair. By participating in the fiar, students showed their interest in biology, chemistry and physics to visiting scientists and teachers.

An important innovation during the past year was the institution of joint meetings and field trips between the science clubs of Immaculate Conception Academy and Riordan High School, In combined meetings new lines of inquiry were opened to the students of both schools.

The center of intellectual growth is the library. Here, teachers and students daily use the many facilities. The Library Club, under the direction of Brother Justin Loughran, S.M., was formed to assist students in securing information. These dedicated students help all those interested to locate various books and to answer their many questions.

The purpose of the staff is to mold the intellectual, spiritual, and social life of their fellow students.

The Chevaliers are one of the most devoted and hard-working organizations in Riordan. They receive little credit for their work as ushers, receptionists, and guides. They work voluntarilly at school dances of the activities, thus contributing to the success of these dances. One of the main duties of Chevaliers, is that of selling programs at Riordan's football and basketball games. The Chevaliers are also responsible for us having at the school plays, concerts, and other programs. In this way they make their own contribution to the social life of Riordan. This year the Chevaliers have carried on their activities under the able leadership of Brother George Diestel, S.M.

Block Club

An organization for athletics is Riordan's Block Club. Boys who have acquired a block from participation in a varsity sport are offered membership. Some of the services undertaken by the Club are ushering at Mass, Assemblies, rallies and general promotion of school spirit.

Each year, the club sponsors its own dance. Under the direction of Mr. Fennelly, the funds from this dance and various other projects are used for improvement in the Athletic Department.

This is the end of our pictorial review and also the end of the 1962 year. Here we have tried to recall some of the more memorial events that have occurred during the last year, the spirit of the student from his first class until his last, and the spirit and cooperation which existed between under and upper classmen.

We have tried to emphasize the point that what you put into your school is what you will get out of it. It can be a memorable yearbook for those who tried to help their school and a lasting memory of a year of years.

No Time For Sergeants

A Play In Two Acts by Ira Levin

Directed by Mr. Ken Barbieri

No Time For Sergeants brought to a close another successful year of dramatic productions by the Riordan Players. Hilariously protrayed by talented yet still fledglings in the histrionic arts, No Time For Sergeants lampoons life in the American military services. Long remembered will be the airplane scene and its approaches on an atomic testing ground.

The stage crew, under the direction of Mr. Barbieri and with the assistance of Mr. John Donovan, captured poignant scenes of military life and the backgrounds of the inductees.

"Tis a tough life for us draftees."

"But. . . but. . . will the sergeant say? We gotta get them of the base."

Performers Mike Clouse, Denis Fama, Jerry Watson, and Ed. Asten go through one of the comical scenes from the play.

On December 1, 2, and 3, Riordan presented George Gernard Shaw's "Caesar and Cleopatra".

The excellent cast was headed by Gilbert Agrilar, whose colorful performance will be long remembered at Riordan. Sharing the spotlight was Ellen Henry as Cleopatra.

According to Mr. Barbieri, director of the spectacular, "The play is outstanding because of its unique presentation of comedy, drama, and history."

The Art Club and the Stage Crew led by Mr. Barbieri and Mr. Moreno, designed and created sets which gave the audience the ancient atmosphere surrounding the plot of "Caesar and Cleopatra".

The Mob Scene

Stage Crew

Backstage for all assemblies and dramatic productions presented by Riordan is a group of hard working, dedicated students whose work make all stage productions possible. During the school year all functions presented in the Riordan Auditorium depend upon this group of men. Bro. Claude Boulay is the moderator of the Stage Crew. Although the crew members receive little recongition for their services, these men are a vital part of the school.

The art club performs a vital service for the school. This club, under the leadership of Jack Bonsor, created the gala decorations for the highly complimented night rally. Also the club worked on the sets used in the Fall play Caesar and Cleopatra. For all of the dances and other school events the art club helps with the decoration. This club, under the guidance of Mr. Moreno, has served as a suitable outlet for the students of Riordan High School.

The Crowning Moment

Queen Anna reigns over Night Rally festivities. Her court consists of, left to right: Rita Reves, Donna Unmat, Eileen Jones, Nancy Driscoll, Betty Ebert, Vondra Barsotti, and Kathy Brady.

It was a night filled with great expectancy, wonderful color, and beautiful pageantry. These superlatives describe this year's annual Night Rally. This night will be a memorable one in the lives of each of the candidates from the eight girls' high schools.

The actual program was enlivened by the comments of Mr. Bob St. Clair of the 49ers. Representing the team, Coach Ron Modeste and co-captains Karl Aichinger and Bill Ardizoia gave their views on the Homecoming Game with the Serra Padres.

The Night Rally was concluded by the announcement of the 1961 Homecoming Queen, Miss Anna Ruef of Star of the Sea Academy. Miss Ruef joins a long list of Riordan Homecoming Queens known for their beauty and unassuming dignity.

Spirit of Homecoming.

In the middle of a heavy downpour in mid-November, two hundred Crusaders yelled as loud as they could for their football team. But if it were not for the actions of one individual, those Crusaders would probably have sought protection. That person was Gene Muscat.

With high optimism for a successful season, the crowds at the first few football games were great. But as the capabilities for a successful season diminished, Gene, through his personal initiative, saw to it that crowds never diminished. In fact they often increased.

From football to basketball, Gene kept the spirit kindled in the student body. Every game had Crusader support. It was truly evident. when all hopes of the playoff were lost, in the support the Crusaders gave to their team.

The 1961-62 season may not have brought us victory on the field or on the court, but gained us a victory in the stands. If the spirit which has been instilled in every Crusader continues to grow, success cannot help but fall upon Riordan.

Determination

Although displaying a great spirit of determination and courage, the Riordan Varsity Football Team did not have the success enjoyed by preious teams.

Joe Sobeck, all-CAL halfback, led the team in rushing, passing, and scoring. Kip Gargano, all-CAL defensive back, headed the tough defensive unit. Tackle Kevin Walsh and Center Karl Aichenger, both all-CAL honorable mention, spearheaded the offensive line. Curtis Green also all-CAL honorable mention, provided the longest scoring play of the year--a 97 yard pass-run.

Head Cheerleader Gene Muscat was instrumental in providing this year's team with support hardly equaled in the school's history. Muscat and his assistants provided the enthusiasm for the spirit so necessary to any athletic team.

A Successful Season

Under the leadership of Coach Jerry Finnigan, the Riordan Junior Varsity Football Team compiled a successful 4-3 record. Led by Most Valuable Player Chuck Garric and hard-running Mike Gilmore, the J.V.'s possessed the same determination and courage that typified the 1961 Varsity. Mike Marovich, winner of the Dave Smith Award as the most inspirational lineman, was the leader of the defensive team. The Riordan basketball team assured-ed had less than a great season. Although they compiled a disappointing nine win -- sixteen loss seasonal record, they were far from being an easy foe. A good index of this would be the fact that they lost six games by a margin of two or less points. The starting five, composed of four under-classmen, was the smallest contingent in the league. The team may have been want-ing for height, but never for desire.

Mike Cahill, the starting club's only senior, made all C.A.L. while scoring 422 points for a 17 point average and grab-bing off 286 rebounds. Two juniors, Jim Duggan and Scotty Hughes, took care of the remaining scoring and rebounding.

With four of the starting five return-ing and backed up by a well balanced Junior Varsity club, the future shows pro-mise of being very rewarding.

J.V. Basketball

Although not having a great season, the Riordan Junior Varsity compiled a respectable 11 win, 10 loss record. The highlight of the season was a peak reached by the team when they polished off St. Francis.

The team was led throughout the year by Bob Kent, leading scorer and All C.A.L. center, and Doug Falco, the captain of the team, who jumped second in scoring and was voted the team's most valuable player.

The remainder of the team's success was supplied by the defensive work of Eagleson and Gathchalian and the all-around playing of Vince, Tuohy, Earnshaw, and Santucci.

The future varsity of Riordan, the Junior Varsity was sparked along the way by the help of Coach Gus Hassapakis.

Varsity Track

Although many of the members of last year's squad have graduated, the 1962 Riordan Varsity Track Team has hopes of regaining the CAL crown. Led by captains Kevin Walsh, Curtis Green, and Bill Ardizoia, the cindermen posted fine early season performances.

Coach Gene Gagliardi has molded this year's Varsity Track Team into a spirited and confident team.

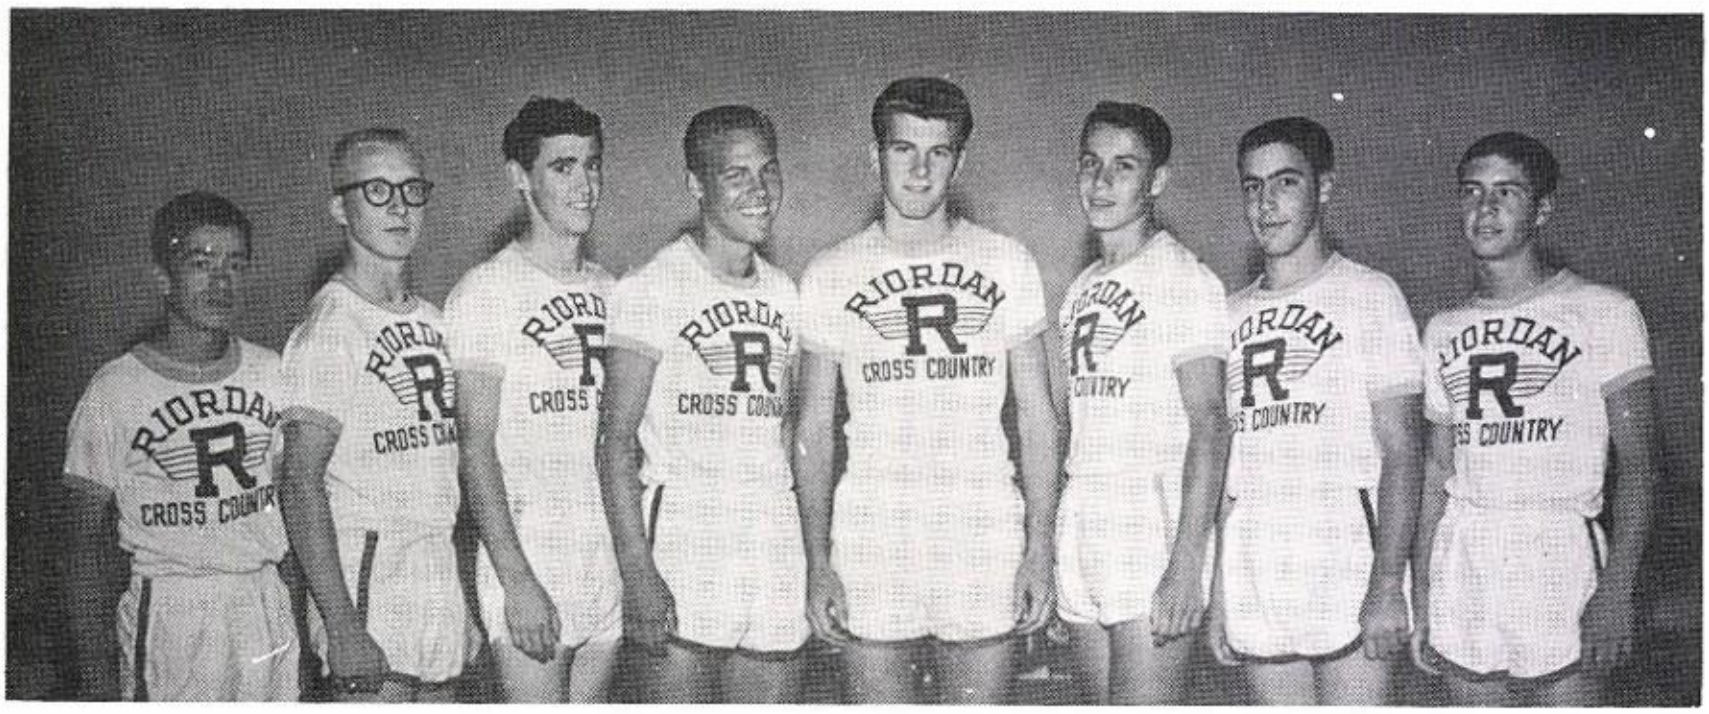
1961 Cross-Country



varsity, left to right: M. Uland, J. Lavis, M Conroy, L. Bartleson, M. White, G. Mazotti, W. Maffer, L. LaRocco.

Led by Seniors Mike White and Dan Dowd, the cross-country team went through a season of four wins and one loss in dual meets. Mike White was named outstanding runner of the year. But plagued by injuries, the team took fifth place in the C.A.L. meet in Stanford.

The outstanding performance this year came from the Frosh-Soph team which won the C.A.L. championship. Many of the team members ran for the varsity in the dual meets and gained valuable experience in doing so. This was the fourth cross-country championship for Riordan. Thus a bright future looms for the cross-country varsity teams in the future.

Lightweights, left to right, Row One: J. Valdisseri, R. O'Donnell, C. Capps, R. Barsi, R. Mena, J. Heinnzt, G. Khalil. Row Two: J. Baireuther, I. Tulipano, R. Segale, P. Mutter, J. Yerman, J. Varsity Baseball

Row 1, left to right: C. Lauser, R. Strack, C. Joyce, M. Earnshaw, K. Mooney, M. Bagdon, F. Kelly. Row 2: J. Ludwikowsky, M. Wiese, J. Flores, J. Magri, M. Cahill, A. Baracco, B. Roberts, R. Calavano, M. Frey, G. Neil.

With a well-rounded club, the varsity is hoping for one of its most successful seasons in the C. A. L. Behind strong pitching from Mike Bagdon, Mike Earnshaw, and Frank Kelly; and consistent hitting from Joe Sobeck, Ron Calavano, Chris Lauser, and Ken Mooney, the aspect of such a success is bright. The defense on the team is also of quality. In the outfield Mike Wiese, Mike Frey, and Mike Cregan patrol left, center, and right fields respectively. The double play combination of Sobeck, Lauser, and Ludwikowsky is something teams must be fearful of.

Unlike many of the other school teams, the varsity returns with many veterans of the game. Mr. Gus Hassapakis, varsity coach, has expressed the view that this might be the year of champions.

Swimming

With only three returning lettermen, this year's swimming team scrambled for every point. However, Mr. Finnigan, this year's coach, points out that there have been some improvements over last year's performances. Ken Byrne, last year's most valuable swimmer, is gaining strength daily. Mike Dower, a mediocre swimmer in the past, has astounded everyone with his recent performances. Vince Palminini and Ed Hornung have equaled their past great deeds. Perhaps the brightest ray of light is freshman Bob Waggner. Swimming a race reserved for older and stronger splashes, Bob has broken the 200 yard freestyle twice. This is indeed a truly outstanding performance for one so inexperienced.

All of the practice meets and grueling workouts are leading up to the big meet of the year -- the C.A.L. With successes in the first few meets, the team is hoping to place high in the C.A.L.

Juniors, top row: W. Lunny, R. Palmini, P. Jowett, D. Seawell, B. Hooke, R. Delucci, Bottom row: J. Yerman, M. Cogliandro, J. Duggish, J. DuMoulin, H. Almeida, D. Rennie, W. Feyling, P. Higgins.
